

# FURNITURE FINISHES

## Berger Marine Spar Varnish

---

### PRODUCT DESCRIPTION

Berger Marine Spar Varnish is an alkyd modified, chlorinated rubber-based varnish, specially formulated to enhance the natural beauty of wooden surfaces, with a finish that performs in even the harshest conditions. This coating is a tough, flexible, long-lasting, easy to apply varnish that protects against UV rays, sea spray and mildew, and can easily be re-applied over existing varnish in reasonably good condition. This varnish gives a traditional high-gloss finish to the interior and exterior vessels trading in coastal and tropical waters.

---

### APPLICATION

Brush or Spray

---

### PHYSICAL DATA
