

SISSONS

Weather Guard PRO

INTERIOR & EXTERIOR

Sissons Weatherguard Pro is a premium quality, 100% acrylic emulsion paint specially formulated for exterior/interior masonry walls. It contains a special combination of biocides to prevent fungal and algal growth, lightfast pigments to resist fading and a flexible resin to prevent cracking, flaking and peeling in harsh tropical weather.

WEATHERGUARD PRO + SUPER MATT COLOURS

Also available in BLACK, WHITE, FLAT BLACK, AND FLAT WHITE

Colours shown may differ slightly from actual paint colours due to differences in surface textures, light and aging of colour chart.

SISSONS

Super Matt

All SISSONS products are proudly manufactured in the Caribbean.

Our coatings are formulated and tested to withstand the rigours and ravages of tropical weather. We are committed to producing the best products, with the best value for our customers.

We are an ISO 9000-2008 certified company. All of our water-borne coatings have extremely low VOCs (volatile organic compounds). This means that you can paint without worrying about harmful fumes.

Our premium line of interior and exterior paints is fortified with cutting edge self-priming technology, powerful anti-fungal and anti-mildew biocides, all combined with excellent opacity (high hiding power) which makes SISSONS the right paint for your next project.
